

Black metal kings **INQUISITION** are having a busy time touring in over 10 countries so far during the last couple of months, including an Australian tour, European, North and South American festivals, such as Maryland Death Fest, Deathcult Open Air and Rock al Parque festival in Bogota, Colombia, where they performed in front of an estimated 100,000 people, check out this great [video](#) of their historic performance.

As usual, frontman/guitarist **Dagon** wont trade his [Sustainer](#) -equipped [Ravelle](#) guitars for anything else.

Catch them at upcoming European tour dates, which can be found at their [facebook page](#) .
